

Monthly Homework Reflection

Reflect on all the projects or activities you have done so far for homework this year. Choose your favorite activity. Then, answer the following questions about that activity.

1. What is your favorite activity that you've done so far this year and ____ why?

2. How can you take what you've learned from this activity and apply it to ~~your life~~ *(Example: you hold a dinner party with a recipe you've learned?)*

3. Try to get others to do this activity if they haven't already tried it. Write a ~~paragraph below~~ paragraph below that _____ others.

4. Bring something from your activity in to share with the class on Friday. This might be a card trick to share, a new food to try (**nut free**, please!), a piece of duct tape art, a photograph, etc.).
